EXTRA BONUS POINTS!!

*A team may earn **200 bonus points** by going on a TEAM visit. You must have your team leader and at least 3 other members present and visit at least half of the members on your team. (Please arrange this through Mrs. Laura) This is a great learning opportunity for all. You can see how others raise their animal. This also gives the team leader an opportunity to help younger or first time members.

A team may also earn **100 bonus points by going as a TEAM to any **other** Livestock Shows or jackpot shows. At least 2 people from your team must go and you must bring back the program with the rankings listed as proof that you were there and PAID attention (and did not just go to a fair!!!!) This is also another great learning opportunity to see what judges are looking for in a market swine and in the showmanship ring. Also any members can earn **25 bonus points** for going to a show by their selves-same rules apply about proof.
