# Forest Stewardship Workshop:

## *Grow Timber Revenue*

---

---

**Date and Location:** June 19, 2012; 9:00 am – 3:00 pm, Central Time  
UF-IFAS Jackson County Extension Office  
2741 Pennsylvania Ave, Suite 3, Marianna, FL 32448-4022

(directions on back)

With planting and fuel costs high and stumpage prices for timber products low in many areas, many landowners may be seeing little financial incentive to plant trees, manage current stands or replant after the rotation. This program will provide guidance on timber management and marketing strategies that can increase returns from harvests, reduce costs and encourage forest management for its many benefits.

---

---

### Agenda (tentative):

9:00 am	<b>Sign-in, meet and greet</b>
